F.No. IV-17011/02/12-Admn

Dated: October 16, 2012

Subject: Empanelment of Printing Agency

Directorate of Research on Women in Agriculture, Bhubaneswar, intend to empanel the reputed Offset Printers and Laser typesetters for the printing and laser typesetting of high quality Books, Journals, Reports, Newsletters, Proceedings and other similar high quality publications in Demy Quarto, Royal octavo, Crown quarto size from Positives by P.S. Plates or through CtP (Computer to Plate) process.

You are requested to furnish the technical bid in enclosed proforma. An inspection team would visit the firms for the physical inspection of available infrastructure with the press as furnished in the enclosed proforma. Those bidders who fulfill our requirement and found suitable for the Printing of Publications will be empanelled.

The Financial Bid is also to be submitted along with the Technical Bid in two separate sealed envelop, i.e. for Technical and another for Financial Bid clearly specifying the Technical Bid and Financial Bid on the envelope.

The terms and condition of the contract for printing are as under:

1. The press/firm will either be provided with Camera ready composed and made up pages of Text of the publications complete in all respects, in the form of Laser Printout or digital copy in FLOPPY/CD for processing (negative/positive making) and printing.
2. The laser typesetter shall compose the galley/ pages as per the specifications, style and layout prescribed by the Institute and supply the proofs accordingly in the time frame manner at every stage of proofs.
3. Laser typesetting work will generally include the following stages:
 1. **STAGE I** Supply of first Galley proofs **in duplicate sets** after passing them through a "Spell Check" software and ensuring that there is no 'See Copy' in the proofs.
 2. **STAGE II** Supply of corrected and formatted proofs in the format prescribed by the Institute.
 3. **STAGE III** Supply of final Laser Print from the original tr cartridge on smooth quality opaque paper (at least 80 GSM PAPER) in a minimum of 600 DPI, in the format prescribed by the Institute.
4. The Typesetter shall have to redo such of the pages where mistakes marked by the Institute have escaped corrections without any obligation to the Institute.
5. Cutting and pasting of any matter/correction is not permissible
6. If the Institute feels at any time that any job is being delayed by the press for whatsoever reason, it will have the right to withdraw the same and entrust the same to any other press for urgent execution.

7. Complete ferro/ammonia proofs/colour ferro laser print out of the jobs, will have to be shown to the Institute for its approval before undertaking the final printing. The instructions/corrections marked by the Institute on the ferro/ammonia proofs/ laser print out will have to be carried out very carefully by the press without any extra cost to the Institute.
8. The selected press will be required to collect all the material, i.e. composed pages, illustrations, transparencies/colour prints etc., from the Institute Office.
9. The Director, Directorate of Research on Women in Agriculture is not bound to accept the lowest quotations or any quotation or to assign any reason for rejection of any or all the quotations. She also reserves to herself the right of accepting the whole or any part of the quotations. Her decision in these matters shall be final and binding on the press.
10. The Institute also reserves the right to offer the lowest rates received from any press and accepted by it to any of the other press or presses to enter into parallel printing arrangement, if so decides whatever the reason be.
11. In the case of any item of work not covered under the printing arrangement, the rates decided by the Institute thereof, will be final and binding on the press.
12. The printing arrangement will be made for a period of two years and the same may be extended on the existing rates, terms and conditions etc. for such a period as the Institute may decide in consultation with the press.
