Swachh Bharat Mission
(1st January, 2015)

As part of the ongoing 'National Sanitation Campaign', the ICAR-Directorate of Research on Women in Agriculture (ICAR-DRWA), Bhubaneswar, organized a human chain formation on the occasion of New Year, 2015. The programme started with a sensitization on hygiene and sanitation followed by oath taking by its staff on keeping the premises clean. To bring awareness among its staff and general public, all the staff members actively participated in the programme with placards highlighting the significance of hygiene and sanitation.
