Monthly Report (July, 2018)

As part of the "Skill Upgradation Programme on Improved Methods of Vegetable Cultivation", organized under the Project on 'Developing gender sensitive model for doubling farmers' income by addressing gender concerns and technological gaps' at Nuasahi village in Nimapara block of Puri district on 21 July, 2018, awareness was also created among farmwomen on *Swachh Bharat Abhiyan*, about the significance of hygiene and sanitation, keeping the hamlet neat and clean, prompt method of waste disposal and composting of agricultural wastes.

Awareness creation on composting of agricultural wastes

Weekly on-campus cleanliness drives were also carried out in the land area/ plot earmarked for each Staff in CIWA premises, and also in common areas. In the cleanliness drives in the common areas, such as office premises, farms and approach roads, along with the regular staff, the contractual farm staff also took part actively.

On-campus cleanliness drives
