Report on the Campaign on *SwachhtaPakhwada* on 19 December, 2021

As part of the '*Swachhta Pakhwada*' campaign being observed during 16-31 December, 2021, cleanliness and sanitation drive was taken up within the campus in lawns, experimental and demonstration plots, orchards and landscape, technology block, women Farmers' hostel, poly houses. About 100 kg of agriculture waste was collected. Biodegradable waste (leaves, cuttings, grasses, weeds, crop residues) was segregated and biodegradable waste was used for vermicomposting inside NADEP pit. The non biodegradable waste (packaging materials of fertilizers, pesticides, seed) from the field was properly disposed with safety measures. The whole campus appears clean, beautiful and attractive to the visitors. The campaign was led by Dr L.P Sahoo, Sh. M. Prusty & Sh. B.C Behera.
