Report on the Campaign on *Swachhta Pakhwada* on 24 December, 2018

As part of the Campaign, an awareness programme on cleanliness drive was organized by ICAR-CIWA at Village Bounshaput in Khordha district on 24 December, 2018. The programme was graced by the participation of a cluster of 40 farmwomen and rural youth. Campaign on cleaning of sewerage & water lines, awareness on water harvesting for agriculture/ horticulture application/ kitchen gardens in backyards was also organized. Dr. A.K. Panda, Principal Scientist delivered a technical talk on improved poultry rearing practices for additional income generation and healthy living. On this occasion, poultry chicks and feed were also distributed to the participants. The programme was coordinated by Dr. J. Charles Jeeva and Dr. D. N. Sadangi from ICAR-CIWA.

Swachhta Programmes at Bounshaput village in Khordha District

AICRP on Home Science Unit, College of Community Science, Tura, Meghalaya

Kisan Diwas was celebrated as a part of Swachhta Pakhwada 2018. Some of the farmers friends were invited from Sanaangre village and nearby areas to share their Swachhata experiences. On this occasion Dean, CCS and AICRP faculty staff welcomed them and discussed on need of clean cultivation practices and orchard cultivation in Garo hills. Conservation of agriculture, sanitary practices in the home and premises and in community, compost making and waste management practices were major highlights of discussion. Programme ended with felicitation of gifts to our farmer friends.

Celebration of Kisan Diwas on 23 December 2018

Rallies on Swachhta Pakhwada activities were organised by AICRP faculty staff and students of College of Community Science on 22 December 2018 . Organised workshop, street plays in local Garo language using hand placards etc., for technology demonstration and awareness on cleanliness of surroundings.

Swachhta Rally organized on 22 December 2018
