Report on the Campaign on *Swachhta Pakhwada* on 20 December, 2018

As part of the Campaign, an awareness programme on cleanliness drive was organized by ICAR-CIWA at Village Khandagarh in Baranga block of Cuttack district on 19th December, 2018. The programme started with the technical talk by Dr. Sabita Mishra, Principal Scientist from ICAR-CIWA on the topics such as personal hygiene and sanitation, significance of keeping the environment clean, and prompt disposal of wastes. It was followed by mass cleaning of village roads, and segregating the agro wastes into biodegradable and non-biodegradable wastes. Then the wastes were into composting. Stock taking of waste management & other activities including utilization of organic wastes/ generation of wealth from waste, polythene free status, composting of kitchen and home waste materials, promoting clean & green technologies and organic farming practices in kitchen gardens of residential areas were also highlighted. About 65 farm families, rural youth and school children participated in the campaign. The programme was coordinated by Dr. Ananta Sarkar, Dr. Laxmipriya Sahoo, Shri. B. C. Behera from ICAR-CIWA.

Swachhta Programmes at Village Khandagarh in Cuttack district

AICRP on Home Science Unit, College of Community Science, Tura, Meghalaya

Cleanliness drive was carried out at adopted villages under Mera Gaon Mera Gaurav (MGMG). AICRP staff and faculty of Community Science took part in the drive and disposed of biodegradable and non biodegradable waste with the help of villagers.
