Report on the Campaign on *Swachhta Pakhwada* on 19 December, 2018

ICAR-CIWA organized a cleanliness and sanitation drive involving village community at the village Kanamana in Puri district, an adopted village under the DSIR funded project. The progress of ongoing *Swachhta* activities was also reviewed, and provided on the spot solutions, especially for prompt disposal of fishery wastes, and converting them into silage. About 25 farmwomen participated in the programme.
