ICAR - CENTRAL INSTITUTE FOR WOMEN IN AGRICULTURE, Bhubaneswar

Report on the Campaign on *Swachhta Pakhwada* on 18December, 2020

As part of the '*SwachhtaPakhwada*' campaign being observed during 16-31 December, 2020, a webinar on the topic “**Effective health management during COVID-19 through clean and green environment**” was organized connecting different MGMG villages adopted by the institute. The cleanliness and sanitation drive was also conducted in the villages Balrampur, Nuagarh, Sankhilo and Athagarh of Cuttack district and Dubduba, Chamarpada from Puri district on 18th December, 2020. The information on the benefits and importance of cleanliness was provided through digital platform and on the spot solutions were provided with respect to management of biodegradable waste. The chief guest of the webinar was Dr. Gauranga Kar, Director, ICAR-CRIJAF, Barrackpore who shared his views on the said topic and encouraged the participants and women farmers of all the villages to be clean. Dr. S.K. Srivastva, Director ICAR-CIWA emphasised on continuing the efforts of clean MGMG villages. The coordinator of MGMG programme Dr. (Mrs.) Lipi Das shared her experience of cleanliness while working with women farmers of different villages. Dr. B. Sahoo, Nodal officer, SBA-2020 shared the detailed plan of cleanliness to be adopted by the farmer of the villages. The meeting ended with a vote of thanks by Dr. Tanuja. A total no. of 50 persons participated in the webinar.
