**Report on the Campaign on *Swachhta Pakhwada* on 21 December, 2020**

As part of the '*SwachhtaPakhwada*' campaign on cleaning of sewerage and water lines, awareness on recycling of waste water,water harvesting for agriculture/ horticulture application/kitchen gardens in residential colonies/ 1-2 nearby villages was carried out. The aim and vision of *Swatachha abhiyan* and maintaining hygienic condition around premises was discussed. In addition to this, an awareness programme on efficient use of water, water scarcity, microbial quality and rainwater harvesting was imparted to the household members. Promotion of organic farming practices in kitchen gardens of residential colonies was made by the team lead by Dr. S. Swain and Dr. Tanuja. S. About 30 participants involved in the programme.

Glimpses of Institute Vermicompost unit

Awareness about rainwater harvesting
